

## Baptism - Parental Consent Form

### Student Faith Statement

I, (Print your name) \_\_\_\_\_, have come to believe that God exists as he has revealed himself through the Bible. Understanding who God is and what he is like has led me to understand something about myself. I have been living as an enemy of God by seeking to live for my wants and desires, not caring about him or other people. I've been wrong. I've sinned. Living this way has kept me from having a relationship with God. I want to live differently.

The good news is that God in his great love and mercy without lowering his standards made a way for me to be forgiven and have a relationship with him through Jesus of Nazareth, his unique son. God sent his son from heaven to become the man we know as Jesus Christ. Jesus lived in obedience to God all the time, the way I should live. Then Jesus died to pay for my sins against God. God accepted Jesus' death in my place to cover my sins and raised him from the dead on the third day. I believe in Jesus and I want to spend the rest of my life living as his follower no matter the cost to me personally.

The first step in being his follower is to be baptized. Baptism allows me to publically identify with Jesus and let others know that I am his follower. As my parent/guardian, I would like to request your consent to move forward with this new life decision. Thank you for the good things you've done for me in my life.

With respect and love,
