

BARISTA NEEDED

THE GAME TABLE CAFE

We are hiring and we want you!!

We are looking for a part-time barista and counter clerk for Central Pennsylvania's only board game café. You will take orders, prepare food & drink requests, assist customers with games and run fun events for the local community. No barista experience necessary (we will train you). However, you must have a positive attitude, be comfortable interacting with customers, and enjoy helping others.

Who are we? The Game Table Café is Central Pennsylvania's only board game café. We are a full service café with over 450 board games in our library which customers can enjoy playing while they hang out at the cafe. We have received 5 star ratings on Google+, Yelp, & Restaurant.com for our food, service, and friendly staff. In 2017 we were voted by readers of Harrisburg Magazine to receive the 2017 Reader's Choice Award for Suburban Restaurant. Check us out online at <http://gametablecafe.com/> or find us on Facebook.
